Goals	Targets	Challenge of Practice	Success Criteria
Increase students writing achievement	2022: 1/ Year 1 and to achieve 28, or above, out of 44 on the phonics screening check in Term 3.	If we deepen formative assessment strategies by implementing a teaching and learning cycle incorporating Tier 2 vocabulary for writing and reading activities to build content knowledge before writing, then we will improve writing R-6	<ul style="list-style-type: none">• Use knowledge of a wide variety of letter sound relationships to write words with 1 or more syllables fluently• Use knowledge of the relationship between sounds and letters, high frequency words and punctuation to make meaning when writing.• Use Tier 2 words to enhance description and add interest to their writing.• Students understand that they write for particular purposes• Students use appropriate genres for writing
	2023: Primary students write using sizzling starts, build tension, end with impact.		
	2024: Year 3/5 students to achieve band 3, or above, in NAPLAN, or a scale score of 95, or better, in PAT reading.		
Increase students mathematics achievement	2022: 1 Year 3 student will achieve band 3, or above, in NAPLAN.	If we teach number within the context of the Big Ideas in Number and the Australian Curriculum then we will increase numeracy achievement.	<ul style="list-style-type: none">• Demonstrate a sound understanding of number• Have the ability to think of numbers in more than one way• Understand the function of operations• Recognise the operation symbols and interpret these to solve problems• Use efficient mental strategies to solve problems• Communicate process and interpret information
	2023: All students demonstrate improved outcomes in mathematics.		
	2024: 80% of students at grade level in mathematics.		
To extend children's social skills	2022:	If we create literacy rich environments to extend children's ability to cooperate with others during shared experiences in play and routines, then we will extend children's social skills.	Through pedagogical documentation there will be evidence of an increase in: <ul style="list-style-type: none">• Children initiating conversations• Children sustaining conversations• Children participating in increasingly complex conversations
	2023: Children will be able to recognise, interpret and respond to social situations.		
	2024:
